## **About Cartref Celtiadd**

Celtic Care Ltd, and therefore, Cartref Celtiadd was established to provide a high standard of care for younger adults who have a Learning Disability and who may also have secondary care needs such as a Physical Disability.

The aim of the Home is ensure that all service users have a warm, comfortable, clean, safe and welcoming Home where their wishes and aspirations are recognised and catered for. We aim to enable individuals within our care to have an 'ordinary' life within the community. We will achieve this by encouraging and working with our service users to be fully integrated into the community in which they live and to take part in its activities according to their needs, abilities and interests. All our staff will be trained and supervised with a view to their achieving such positive outcomes for the service users.

The Home currently accommodates three male service users between the ages of 18 and 64 years.

Long Term Nursing Care will not be provided at the Home. However, should short term District Nursing input be required, this will be provided, in agreement with Care Managers, the individual, and the Care and Social Services Inspectorate for Wales, it will subsequently be accessed through the individuals General Practitioner. All appointments regarding the Health and Welfare of the service users will be kept and staff will accompany the individual concerned if required.

The Home is set in Swansea in the locality of Clydach and is registered for three individuals. It offers a large dwelling in a detached property close to all local amenities. There are three bedrooms for service users, one fully en-suite, a staff room/office, lounge kitchen/diner, large conservatory, utility room and downstairs shower-room. There is a private rear garden that has a decked area and a patio area with gravelled areas to the main garden and a conservatory.

All rooms meet the size and facilities recommendations of National Minimum Standards 38.12. There are three w/c's, two full bathrooms and a separate shower room.

All bedroom doors have turnbuckle type locks and service users are offered a key to their room where there is a lockable drawer to ensure the safety of their personal items, there is also a safe at the Home for the use of service users who seek reassurance that their items/monies etc are safe. The Manager will have a key to the individuals' room for use in emergency situations only, unless otherwise agreed prior to entry. Records will be held of all valuables placed by the service user for safe keeping by the Home.

Soft furnishings have been chosen in colours service users have agreed .

**The kitchen** has been fitted to a very high standard. There is an integrated dishwasher, double oven and grill, and fridge- freezer. There is an electric hob. The home has separate hand washing facilities in the kitchen. Seating and a table have been provided to enable service users to take part in cooking/preparation if they chose to do so. (Risk Assessments have been undertaken where needed) otherwise the staff at the Home will do this for them.

**Meals and mealtimes** are arranged to suit individual choices and agreements within the Home. Service users are fairly good at helping to do domestic tasks in line with their development of Living Skills. Where there is a need for specialist input with regard to diets this will be sought. All cutlery and crockery is provided at the Home.

**The utility room** at the Home that has a washing machine and tumble dryer. Facilities to air and iron clothes etc is also available and service users are encouraged and enabled to undertake their own laundry should they choose, (Risk Assessments have been undertaken where needed) otherwise the staff at the Home will do this for them.

**Environmental Health** have been to visit the Home and we have been awarded the highest grade (5) for in Food safety Standards. The staff at the Home are committed to high standards of hygiene, for this purpose a daily/weekly cleaning rota and maintenance programme will be implemented. The staff ensure that the Home is kept free from offensive odours through implementing good housekeeping routines and also ensuring waste is

disposed of appropriately. Where there is a need for clinical waste disposal appropriate arrangements will be made for this.

To assist in ensuring **privacy and dignity** Staff knock, wait for a reply and only enter service users rooms after having sought and been given approval. However there may be occasion when it will be necessary for staff to enter the individuals' room in the case of an emergency or in order to keep up the standard of hygiene/cleanliness. In case of the latter the service users have agreed they will participate, to an extent, in this activity as part of their agreed daily living skills plan. Service users meetings are held regularly, and records/action plans resulting from these held. The service users are welcome to have a representative present at these meetings should they choose. The proprietor/or his representative will also be present occasionally or be available at the request of the individual to discuss issues in private if required.

**Admission to the Home** is through a referral from Care Managers and individuals needs will have been assessed accordingly. The Manager of the Home visit the individual service user at their residence, with a staff member to introduce themselves and carry out an assessment of how the Home will meet the individuals' needs, this will cover a range of health and social needs and both assessments will be collated into a Care Plan that is agreed with the Service User and their Care Manager. This will ensure the care provided is tailored to the individuals' needs and wishes. The Care Manager will review this documentation, as statutorily required, on an annual basis or as needs dictate, i.e. if there is a change to the needs of the individual. The staff at the Home will review individual Care Plans at least bi annually and where needs dictate, before. Service Users and their representative will be encouraged to participate in this area. All information will be treated confidentially.

**Pets** at the Home will need to be discussed with the Manager prior to arrival. This will be totally dependent on circumstances and the pet at the time.

**Trial Visits:** The individual will have the opportunity to visit and 'test drive' the Home prior to any permanent agreements being made. Such visits can include overnight stays and the opportunity to have a meal etc. The Home welcomes the individual's family or a friend to join them for such visits.

**All** placements will be subject to a three months trial period, post agreements. This will assist in ensuring appropriate placements are made and that the individuals concerned can relate to each other and live together where their needs are met appropriately.

If we feel the home is not suitable for a particular person we will always give the reasons why and offer advice on how to look for help elsewhere.

Celtic Care (Swansea) Ltd will not make emergency admissions.

**Fees** will be calculated on an individual needs basis but will be shown on the Contract of Service Provision with details of what fees cover.

### **Service User Participation**

The Service Users are encouraged to assist in ensuring that the Care and running of the Home is as they require. Regular meetings with the service users and their representative, if they choose, will be undertaken and records held. An action plan will be also be drawn up and implemented as appropriate.

### **Staffing**

The Home will always be staffed with a minimum of two staff at wakeful times with a sleep-in member of staff during the night. However staffing levels are subject to change depending on the assessment of needs, we will therefore staff the Home accordingly in line with Care Home (Wales) Regulations 2002 and Regulation 18 whilst bearing in mind the needs of the individual service users concerned.

Staff will be trained to meet the service users needs and to recognise when they have changed, and appropriate action regarding training will be taken accordingly.
